INT. STONER'S HOUSE

Wayne, tall stoner type, is getting high waiting on his friends to get ready. Rick is checking himself out in the mirror while Johnny is looking on.

RICK  
This girl better be worth my time  
Wayne.

WAYNE  
She's good,

RICK  
So she'll give it up?

WAYNE  
If you got it like that, I mean  
what do you think Johnny? You know  
her.

Johnny pauses, deep in thought.

RICK  
Well? What's she like?

JOHNNY  
Brittany, well Brittany is just,

Johnny grins to himself.

JOHNNY (CONT'D)  
Amazing. She's beautiful, smart,  
funny. I've never met anyone like  
her.

Wayne and Rick just look at Johnny.

RICK  
What are you babbling on about? I'm  
not trying to date this girl, just  
trying to get off. Will she let me  
or not?

JOHNNY  
I don't think she is the type to  
just give it away like that. She is  
the type of girl you have to woo,  
put in time and show her how  
special she is.

WAYNE

What the fuck are you talking about? Look Rick if you want it, just take it.

Rick looks at himself in the mirror and checks himself out.

RICK

You right, I got this.

JOHNNY

Come on guys, don't talk about her like that.

RICK

Why not? That's what she's there for.

WAYNE

So you ready yet or what?

Rick nods his head and tears his eyes away from the mirror.

RICK

Yeah lets go.

JOHNNY

I'll text Brittany that we are on the way!

WAYNE

It's cool, I already texted ruby.

INT. RUBY'S RESTROOM

Ruby and Brittany are getting ready.

RUBY

God, I can't wait to see Wayne tonight. We haven't seen each other in a few days and I just miss him so much.

BRITTANY

So, what is Rick like? Do you think I'll like him?

RUBY

What? Oh yeah, Rick, he's cool.

BRITTANY

How do you know him?

RUBY

He's one of Wayne's friends. I don't really know him that well. But don't worry, me and Wayne will leave you two alone.

BRITTANY

No! I don't want to be left alone with him on the first date!

RUBY

Why not?

BRITTANY

What if he tries something?

RUBY

Then let him.

BRITTANY

On the first date?

RUBY

Why not?

BRITTANY

It's not proper

RUBY

Proper? Who cares about proper? Just get some, it'll do you wonders, how wound up you've been.

BRITTANY

I have not been wound up! I'm just glad Johnny is coming. He is so sweet and won't let anything happen to me.

RUBY

Yeah, cause he likes you and will be cock blocking all night.

BRITTANY

He doesn't like me. He's my best friend. He's like a brother to me.

RUBY

Uh huh, I'm sure.

Ruby's phone goes off. She checks her phone.

RUBY (CONT'D)

Come on, the boys are outside.

EXT. PATH TO THE WOODS

Wayne and Ruby are walking ahead talking to each other. Rick and Brittany are behind them walking and making small talk as Johnny follows a few steps behind, a look of deep sadness on his face.

BRITTANY

So where are we going? It's kind of dark out here.

RUBY

Don't worry, it's a little place that my man here found for us.

WAYNE

Yeah, it was crazy, I over heard Al and Josh talking about it the other day. They said some chick told them about a party out in this cabin and how it's deserted. They just haven't gotten around to checking it out yet. I figured what better place for us to get fucked up?

JOHNNY

Is it much farther?

WAYNE

I don't think so.

RICK

So you've never been here before?

WAYNE

Nah.

RICK

You taking us all the way out here based on the word of Josh? He's always so stoned out of his mind he doesn't even know what's going on half the time.

WAYNE

Hey now, there's nothing wrong with stoners.

RUBY

Yeah! You brought some bud right?

WAYNE

Don't I always?

BRITTANY  
I don't really like to smoke.

Rick points out the bottle in the back of Wayne's backpack.

RICK  
Don't worry, we got something to  
drink too.

BRITTANY  
I don't drink.

RICK  
Damn bitch, what do you do than?

BRITTANY  
What? Well, I don't know. I thought  
we were just coming here to hang  
out.

JOHNNY  
Hey don't call her that!

Brittany looks to Ruby for help. Ruby just hugs onto Wayne  
and shrugs.

RICK  
Yeah, well hanging means drinking  
and smoking. Don't be that girl.

BRITTANY  
What girl?

RICK  
The boring one.

BRITTANY  
I'm not boring. I promise I'm a lot  
of fun. I'll drink.

JOHNNY  
You don't have to if you don't want  
to.

BRITTANY  
I don't want to be the odd one out.  
I mean, that wouldn't be fun right?

JOHNNY  
Yeah, no fun at all.

The cabin comes into view.

WAYNE  
There's the cabin

RICK  
Bout time.

BRITTANY  
It's so dark.

RUBY  
Brittany, please! It's fine. Let's  
go babe.

The two couples start to head towards the cabin. Johnny holds  
back a second.

JOHNNY  
This is going to be a long night.

INT. CABIN

Wayne and Ruby are sitting against the wall smoking. Rick is  
drinking sitting talking with Brittany. Johnny looks on.

RICK  
This is actually a nice place.

WAYNE  
See, always doubting the stoners.  
We know our shit.

RUBY  
I'll admit you came thru with this  
one.

BRITTANY  
You guys don't find it a little  
creepy?

JOHNNY  
I do.

RICK  
Yeah, but that's cause you're a  
little bitch Johnny.

JOHNNY  
Fuck you Rick, you're just all  
talk, trying to make an impression.

Johnny pauses.

JOHNNY (CONT'D)  
You fake fuck.

Rick is taken aback, he then starts to move towards Johnny but Wayne stops him.

WAYNE  
Just let it go. You know he isn't going to do anything.

BRITTANY  
Don't listen to them Johnny, you're not a little bitch. I'm scared too.

Rick moves closer to her.

RICK  
Don't be scared, big Rick is here.

Wayne and Ruby just start laughing. Rick shoots them a dirty look.

BRITTANY  
You going to protect me?

RICK  
Of course.

JOHNNY  
I wouldn't let anything happen to you either Brittany.

BRITTANY  
Aw Johnny, you're so sweet

JOHNNY  
Thanks.

RICK  
Yeah, but who's going to protect you Johnny? Shit if anything popped off you'd prolly just piss your pants.

JOHNNY  
No I won't

Under his breath he adds

JOHNNY (CONT'D)  
Fucking bitch

Rick looks over.

RICK  
What was that?

JOHNNY  
(starts itching his arm)  
fucking itch.

Ruby leans over to Wayne.

RUBY  
Lets go for a walk.

WAYNE  
Why?

She whispers in his ear. He grins and nods his head.

WAYNE (CONT'D)  
Hey, we are going to go for a walk.

Wayne and Ruby get up.

RICK  
Have fun.

BRITTANY  
You're leaving? Don't go.

RUBY  
You'll be fine. You have Rick with you.

JOHNNY  
Uh, yeah I'm here too.

EXT. WOODS

Wayne and Ruby walk out away from the cabin and start making out. Someone is seen watching them from behind the trees.

WAYNE  
I'm gonna go take a piss.

RUBY  
Okay.

She sits down against a tree and gets comfortable. Wayne walks out towards the lake and relieves himself, he hears a sound coming up behind him.

WAYNE  
Hey give me a minute.

The noise gets closer. He turns around and an old man is there and kills him. He lets out a short cry.

EXT. WOODS

Ruby hears the cry and jumps up. She looks over towards the lake and sees nothing. Someone puts his arms around her.

RUBY

Babe, you scared me!

She turns around to find it isn't Wayne but another man. She lets out a scream and he kills her.

INT. CABIN

Johnny jumps up after hearing the scream. Rick and Brittany are deep in conversation.

JOHNNY

Did you guys hear that?

RICK

Hear what?

JOHNNY

Someone was screaming!

RICK

I didn't hear anything.

BRITTANY

I think I heard it too. Do you think they are okay?

RICK

I'm sure they are fine.

He tries to make a move but she moves away, getting up. Rick rolls his eyes.

JOHNNY

I'm pretty sure that was Ruby.

BRITTANY

Should we go check?

Rick gets up.

RICK

Johnny can go check and we can stay here.

JOHNNY  
Cause I'm a little bitch right  
Rick?!

RICK  
Yeah!

BRITTANY  
Have him go alone? Isn't that  
dangerous?

RICK  
No! Johnny can do it. Besides I  
don't want to take you out there in  
case something did happen. I want  
to keep you here where I can  
protect you.

BRITTANY  
That's sweet.

RICK  
I do my best. So get going Johnny.

JOHNNY  
What?

BRITTANY  
Be safe.

JOHNNY  
I'm going?

RICK  
Yeah,

BRITTANY  
It's very heroic of you.

Johnny takes a deep breath.

JOHNNY  
Uh yeah, that's me, the hero.

He starts towards the door and mumbles under his breath.

JOHNNY (CONT'D)  
Fuck my life.

EXT. WOODS

Johnny starts walking around the woods looking for Wayne and  
Ruby.

JOHNNY  
Wayne! Ruby!

He keeps walking.

JOHNNY (CONT'D)  
Come on guys this isn't funny.

He makes his way to the lake where he finds Wayne's jacket with blood on it.

JOHNNY (CONT'D)  
The fuck!

He picks it up, he is in shock.

JOHNNY (CONT'D)  
Wayne!

INT. CABIN

Brittany is pacing back and forth. Rick is watching her with impatience.

RICK  
Will you just relax? They are fine!

BRITTANY  
I'm just worried. What is taking Johnny so long?

RICK  
He prolly found them already and decided to stay and smoke. You know how Johnny is, always so inconsiderate.

BRITTANY  
No he isn't! He's so sweet.

RICK  
That's just an act. He's an asshole.

BRITTANY  
What do you mean?

RICK  
He always goes after girls I like. I mean when I told him I was coming to see you tonight, you should have heard what he was saying about you.

BRITTANY  
What was he saying?

The door swings open as Johnny runs in holding Wayne's jacket. Rick is pissed. Brittany looks at the jacket in his hands.

RICK  
Don't you knock!

BRITTANY  
What's that in your hands?

Johnny holds it up.

JOHNNY  
It's. . . It's Wayne's jacket.

Brittany gets up and walks towards him.

BRITTANY  
Is that blood?

RICK  
It's not. Wayne and Ruby are off fucking somewhere, he forgot his jacket. End of story.

BRITTANY  
I'm pretty sure it's blood.

Johnny nods his head.

JOHNNY  
It is! There was blood everywhere!

BRITTANY  
Where was Ruby?

JOHNNY  
I don't know. I didn't see her.

BRITTANY  
Oh my god!

RICK  
This isn't funny Johnny, stop playing.

JOHNNY  
Who's playing? Does it look like I'm fucking playing?

BRITTANY  
I want to go home!

RICK  
No, we are fine here.

BRITTANY  
I really want to go home. Please.

JOHNNY  
Yeah, let's go. And then we can  
call the cops and figure all this  
out.

BRITTANY  
Please Rick!

RICK  
Fine whatever, lets just go.

EXT. WOODS

The three friends make their way thru the woods back towards  
civilization. They are walking fast.

BRITTANY  
I can't believe this is happening.

RICK  
Nothing is happening!

JOHNNY  
Then explain the jacket.

RICK  
I'm telling you this is just Wayne  
playing a prank. Fucking stoners!

BRITTANY  
I don't think Ruby would do that to  
me.

Out of nowhere steps the old man, towering over them holding  
a weapon.

RICK  
What the hell!

Brittany screams.

JOHNNY  
Oh god.

RICK  
Please don't kill me! I'm too  
handsome to die!

He looks around, spots Brittany, grabs her.

RICK (CONT'D)  
Take her instead!

He throws her on the floor and run.

BRITTANY  
Ah! Rick what are you doing?!?

Rick is out of sight.

JOHNNY  
Brittany!

Johnny runs up and helps her up.

JOHNNY (CONT'D)  
We need to go now!

The tall man starts towards them.

BRITTANY  
Thanks!

They run as fast as they can.

EXT. WOODS

Rick is running as fast as he can.

RICK  
I can't believe this shit! All I  
wanted was to get laid! Is that so  
much to ask!!

He trips and falls.

RICK (CONT'D)  
Fuck!

He looks up and another man is standing there. He only has a  
second to scream before he is killed.

EXT. WOODS

Brittany and Johnny are running, she starts to lead where  
they are heading.

JOHNNY  
Where can we go?

BRITTANY  
I don't know! But we can't stop or  
he'll catch us.

JOHNNY  
I can't believe Rick just tossed  
you aside like that!

BRITTANY  
I know! I thought he really liked  
me!

They run into a dead end.

JOHNNY  
It's a dead end.

KILLER  
And you are going to end up dead.

Johnny and Brittany turn around to find not one, but two  
killers standing there.

BRITTANY  
Oh god!

JOHNNY  
Don't worry Brittany! I won't let  
them hurt you

The killers laugh.

BRITTANY  
Who's worried?

She walks over towards them.

BRITTANY (CONT'D)  
I'm perfectly safe. You on the  
other hand. Not so much.

JOHNNY  
What?

KILLER  
You did good little one.

BRITTANY  
I did, didn't I?

JOHNNY  
What's going on here?

KILLER  
Isn't it obvious, she set you up.

JOHNNY  
What? How? Why?

Brittany puts her arms around the two killers.

BRITTANY  
This here is my family. And it was  
my turn to get dinner.

JOHNNY  
Dinner?

BRITTANY  
We like a special delicacy. We're  
very picky.

JOHNNY  
No! No this isn't right! You  
couldn't have set this up! You  
didn't know we were going to come  
here! Besides I've known you all  
year.

KILLER  
What? Cannibals can't go to school  
like you normal folk?

KILLER TWO  
That's discrimination that is!

JOHNNY  
What the fuck!

BRITTANY  
Is it too much to take in?

JOHNNY  
But. . . But coming here wasn't  
your idea! You didn't set this up!

BRITTANY  
I told Josh and Al about this  
place, I knew they would tell Wayne  
about it and that he would drag you  
guys up here. It was simple.

JOHNNY  
No!

BRITTANY

Yes!

KILLER TWO

Bored now!

KILLER

Yes, this is getting old. Can we  
finish him off now?

Brittany smiles and nods.

BRITTANY

Thanks for being so nice to me  
Johnny. It's like they say. Nice  
guys finish last.

THE END
